- How much are the membership fees?
- Can I support the Schäferhundverein SV-2000 without becoming a member?
- If I own two dogs, can I work just one in the Schäferhundverein SV-2000?

Why is membership in the Schäferhundverein SV-2000 to my advantage?

The Schäferhundverein SV-2000 offers expert professional knowledge in training and breeding of German Shepherd dogs.

The name Dr. Helmut Raiser in conjunction with members of the former Breeders Association (ZG Züchtergemeinschaft) symbolizes this expertise. The Schäferhundverein SV-2000 values training accomplishments and continues to expand on the knowledge thusly gained.

To that effect, club leaders have a close working relationship with scientists, officials, and widely respected achievers in the sport, now as they had in the past before the club was formed.

When it comes to health and breeding, practical experience goes hand in hand with scientific findings. To that end the Schäferhundverein SV-2000 works in close cooperation with its [partners](#).

How much are the membership fees?

Membership offers the availability of expert resources

- On the Internet
- At Competence-Centers (CC)
- By [email](#)

The focal point of the Schäferhundverein SV-2000 is the German Shepherd and everything that serves his training as a utility dog, thereby furthering his selection for breeding. Dogs are trained by people – that is why the Schäferhundverein SV-2000 makes itself available to its members, offering them ready access to the club's extensive knowledge and accumulated data.
